

InSpire Canada Math Contest – Student Handbook

This handbook guides individual students through registration, payment, redeeming reward, practice with a sample test, joining the official contest, test-day rules, and how to view results, rankings, and certificates.

1) Create Your Account

1) Use a refer link or go to <https://math-contest.org> to register.

The screenshot shows the registration page of the InSpire Canada Math Contest website. The header includes the logo and navigation links: Home, Contests, Results, Registration (highlighted with a red box), and Referrals. The registration form contains the following fields:

- First Name and Last Name (two separate input boxes)
- Email (one input box)
- Password (one input box with the text "123456" inside)
- Grade and School (two separate input boxes, with "Input 0 for instructor" in the Grade box)
- City, Province/State, and Country (three separate input boxes)
- A checkbox for "I have read and agree to the Privacy Policy and Terms of Use."
- A blue "Register" button at the bottom.

2) Use student's real name and a personal email you can access.

3) After registering, you can update your password and profile in User Account → Settings.

4) Try the Sample Test

- Before your first contest, practice with the Sample Test to learn the interface.
- Log in → click **Contests** → choose **Sample Test**

- Select your grade and **Start Contest**.

5) Join the Official Contest

Schedule & duration:

- Contests are typically held mid-month on Wednesday and Thursday.
- Your school/center chooses the exact time. Each contest lasts 45 minutes.

Upcoming Mathematics Contests

Students can start the contest on **either contest day**, within their school's **Contest Time Window (7:30 AM – 10:30 PM local time)**. Once begun, the student has **45 consecutive minutes** to complete the test.

Time Window: 7:30 AM – 10:30 PM (local time). Two-day window per round; start anytime within the window.

Date	Grades
15th(Wed) & 16th(Thu) October, 2025	Grades 1–6
12th(Wed) & 13th(Thu) November, 2025	Grades 1–6
14th(Wed) & 15th(Thu) January, 2026	Grades 1–6
11th(Wed) & 12th(Thu) February, 2026	Grades 1–6
8th(Wed) & 9th(Thu) April, 2026	Grades 1–6
6th(Wed) & 7th(Thu) May, 2026	Grades 1–6

Before the start:

- Log in 5–10 minutes early, open the contest page, and select the correct grade.
- Have pencils/eraser and scrap paper ready.

During the contest:

- The page shows a countdown timer and may use video proctoring.
- Do NOT leave or refresh the page; leaving can clear answers and reduce remaining time.
- Questions are single-choice (one correct answer).

Submitting:

- Click Submit when finished. If time runs out, your work is auto-submitted.

After the contest:

- Do not share or discuss exam questions online on Wednesday or Thursday (live contest days). Violations can lead to disqualification.

1.

Hello! I'm Mathie! Here is a photo of my family.
Could you please count how many birds are in my family?

Certificates:

- Two types are available: Participation and Ranking. Download them from the Certificates area.

8) Temporary Lock on Score Look-ups

- To protect exam integrity, from 2 days before a contest until results are released, score look-ups and history pages may be temporarily disabled.

9) Improve Your Profile Data

- Rankings use your Country / Province / City. Make sure they are accurate and spelled in full in User Account → Settings.
- Keep your email current so you can receive notifications and password resets.

10) Submit Your Own Problems (with Rewards)

- We encourage students to submit original, well-written problems.
- Send your problem to support@math-contest.org with: statement, options/answer, full solution, and attribution (your name/school/grade).
- If your problem is adopted, you may receive a reward and be featured on our site or social media.
