### More Tips:

#### Before the start:

- Log in 5–10 minutes early, open the contest page, and **select the correct grade**.
- Have pencils/eraser and scrap paper ready.

#### During the contest:

- The use of calculators or any electronic aids is prohibited.
- The page shows a countdown timer and may use video supervision.
- Do NOT leave or refresh the test page, as this may clear your answers and reduce your remaining time..
- All questions are single-choice (one correct answer).

#### After the contest:

- Do not share or discuss exam questions on Wednesday or Thursday (testing days). Violations can lead to disqualification.

## 6) Test-Day Integrity Checklist

- Stable internet and a quiet room.
- Camera on (to make the result valid).
- No extra apps, tabs, phones, or calculators unless allowed.
- Stay on the contest page until you submit.

## 7) Results, Rankings, and Certificates

#### Release timeline:

- Results usually appear within 2 business days after your contest, and no later than 1 week.

#### Where to view:

- Log in and open the **Results** page to see your score and ranking.
- You can filter rankings by grade.

Hello! I'm Mathie! Here is a photo of my family.  
Could you please count how many birds are in my family?

### Certificates:

- Two types are available: Participation and Ranking. Download them from the Certificates area.

## 8) Temporary Lock on Score Look-ups

- To protect exam integrity, from 2 days before a contest until results are released, score look-ups and history pages may be temporarily disabled.

## 9) Confirm Your Profile Data

- Rankings use your Country / Province / City. Make sure they are accurate and spelled in full in User Account → Settings.
- Keep your email current so you can receive notifications and password resets.

## 10) Create Your OWN Contest Questions (with Rewards)

- We encourage students to submit original, well-written questions.
- Send your question to [ilovemath@math-contest.org](mailto:ilovemath@math-contest.org) with: statement, options/answer, full solution, and attribution (your name/school/grade).
- If your question is selected, you could get a reward and be credited on our platforms.
