

InSpire Canada Math Contest – Supervision Instructions

***No calculators are allowed for all ICMC tests. The only items permitted are blank paper and pens/pencils for scratch work.**

1. Go to <https://math-contest.org/>
2. Ask each student to click “LOGIN” button at the upper right corner of the page, and enter their Email and password to log into their account (for school group registration, default password is “Inspire2025” with first letter I in upper case)

☐ Remember me

[Lost Password?](#)

3. Once students have logged into their account, ask them to go to settings to confirm if their names are spelled correctly. If there's an error, they can directly make the change at this page and click “Save Changes” at the bottom of the page. *(School cannot make the name change after registration, it can only be done through logging into the individual account)*

6. Make sure to ask everyone to click “Select Grade” to choose the questions for their grade. *(Default page will be Grade 1 if they don’t choose a different grade)*

Select Grade

InSpire Canada Math Contest Sample Test

Grade 1 – Sample

1.

Hello! I’m Mathie! Here is a photo of my family.
Could you please count how many birds are in my family?

2.

3.

7. After the grade being selected, click “Start Contest” to formally start the specific contest. Once this button is clicked, the student will have 45 minutes to complete the test. There is a timer so the student can see the time remaining.
